

**Stanford**  
MEDICINE

Radiology

**THIS ACKNOWLEDGES THAT**

**Akwesi Ntim Duodu**

**HAS PARTICIPATED AND COMPLETED THE SUMMER 2025 MINI-FELLOWSHIP ON  
MOLECULAR IMAGING TECHNIQUES PROVIDED IN FOUR MODULES  
FROM JUNE 12 TO AUGUST 16, 2025**

- ✓ **Module 1: Introduction to Molecular Imaging and Imaging Technologies**
- ✓ **Module 2: Luminescent imaging: Cellular and Preclinical Applications**
- ✓ **Module 3: Clinical Application and Basics of Image Processing and AI/DL tools**
- ✓ **Module 4: Reading Assignment on Selected Molecular Imaging Topic of Interest**

**Frezghi Habte, Ph.D, Director  
Stanford Center for Innovation in *In Vivo* Imaging**

**Arutselvan Natarajan, Ph.D, Senior  
Research Scientist, Dept. Radiology**

**Organizers of the Mini Fellowship Program**
